Car Parking Provision

Our Open Evening is very well attended by parents/carers and prospective students. The School has again this year made provision for car parking for this event in Beddington Park, entry for which is via Church Road. Please see map below.

Please note that parking is not available on the School site and we would ask that out of consideration to our neighbours that you do not park in roads which are very close to the school, in particular Manor Way and Derek Avenue. These are very narrow roads and parking is very restrictive. We would strongly advise that if possible you use public transport as the roads in and around the area of the School are heavily congested.

Blue Badge holders may park on the school premises with prior permission.
